

## MAGIS EUROPE 2019

To know, love and share

From the 23rd to 31st of July 2019 Lithuanian Province of the Society of Jesus in collaboration with other Jesuit Provinces will organize a summer Magis Europe 2019 event for young people. It's a program for 18-35 year old youth, who are interested in Ignatian spirituality, intended mainly for young people from Central and Eastern Europe but everyone from all over Europe and the world will be very welcome.

The meeting is divided in two parts: Ignatian experiments and the Closing event.

The Ignatian experiments are the most important part of the Magis experience. Magis Europe 2019 experiments will take place in Lithuania and Latvia from the 23rd to 29th of July. The activities are designed to show young people the meaning of teamwork, to give them a sense of international community and to place them into unusual situations which contribute to their human and spiritual growth. Magis event offers a number of different experiments to choose from, grouped in several categories: Pilgrimage, Spirituality, Service, Arts, Society and Culture.

The Closing event will take place in Kaunas, Lithuania from the 29th to 31st of July. All the participants of Magis Europe 2019 will gather in one place to share their experiences from the experiments, to participate in Magis workshops, to experience Evening of Reconciliation and to celebrate the Feast of St. Ignatius Loyola and the Holy Mass together.

Magis Europe 2019 program will be linked to the world MAGIS 2019 event in Panama. It will present an opportunity for a local European alternative for those, who will not be able to attend the world youth meeting in Central America.

Year 2019 marks the 450th anniversary of the Jesuit Mission in Lithuania. The jubilee will be celebrated throughout the year and European Magis 2019 program will become one of the key events of the celebration. The main theme for the Magis Europe 2019 event will be the same as of the jubilee year - "To know, love and share".
